MERDS Endowment and Enrichment Fund Grant Proposal Form

Proposal Summary:

Provide a brief description of the program and/or project, the rationale for the grant request in the context of the District's strategy and the desired outcome/impact.

Program or Project History:

Indicate if this has been a pilot project or program prior to this grant application, if it has received any prior funding and, if so, from which organization.

Goals, Plans and Timeline:

Describe the goal of the project/program, the project plan, and its anticipated timeline.

Person who is responsible for the program or project:

Identify the program/project leader, his/her qualifications and experience.

Budget:

Provide a detailed budget summary, specifying how the money will be dispensed.

How the program or project will be evaluated:

Define how the program/ project will be objectively measured. The Fund Advisory Board will require a quarterly progress update.

The Superintendent certifies that this program or project will support and enhance educational based programs in alignment with District strategy and policies.
